

Fifth Annual

Diabetes/CVH Winter Symposium
Evidence-Based Management – Improving
Diabetes & Cardiovascular Care:
It Takes A Team

February 23 –24, 2007
Crown Reef Resort and Convention Center
Myrtle Beach, SC

Jointly Sponsored by:
The Medical University of South Carolina
South Carolina Diabetes Prevention and Control Program
South Carolina Division of Cardiovascular Health
The Diabetes Initiative of South Carolina
Diabetes Advisory Council

WHO SHOULD ATTEND/PROGRAM DESCRIPTION

The sessions offered at this program have been specifically designed for primary care physicians, podiatrists, physician assistants, diabetes educators and nurse practitioners. The information to be presented is equally relevant to pharmacists, nurses, dietitians and social workers that will benefit from a comprehensive diabetes update. The program is designed to review the latest issues in diabetes management as it relates to blood pressure, lipids, and blood sugar control.

ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Medical University of South Carolina and the SC DHEC. The Medical University of South Carolina is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATIONS

Physicians

The Medical University of South Carolina designates this educational activity for a maximum of 7.5 Category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those credits he/she actually spends in the educational activity.

Nurses

CEUs have been applied for.

Registered Dietitians

Registered Dietitians can apply for CEUs.

Social Workers

SC DHEC is approved by the SC Board of Social Work Examiners to provide continuing education contract hours for social workers. A certificate of attendance will be provided at the end of the conference.

Certified Education Specialists (CHES)

CHES can apply for Category II hours

Recognition Awards

Applications for the recognition awards may be submitted by an individual, organization, or association for any of the four awards categories listed in the attached application:

- (1) DHEC Regional Diabetes Educator of the Year Award
- (2) Certified Diabetes Educator of the Year Award
- (3) Primary Health Care Provider of the Year Award
- (4) Community Health Center of the Year Award

The last three pages of this document comprise the Recognition Awards Application. Please consider nominating your colleague, place of employment, etc. The application must be submitted no later than February 1, 2007.

REGISTRATION FEES

	Post Marked	
	On or before	After
	2/01/07	2/01/07
MDs	\$ 125	\$150
Other Health Care Providers	\$100	\$125

The fee includes dinner, continental breakfast, coffee breaks, lunches, and course syllabus. MD fee includes continuing education hours.

REGISTRATION PROCEDURE

Please complete the registration form attached to this brochure and mail form and check to:

**DTAC, PO Box 12053, Columbia, SC 29211

Complete awards nomination form, if applicable. The nomination form may be e-mailed to: youngci@dhec.sc.gov, or mailed to: Chrishonda Young, SC Diabetes Prevention and Control Program, 1777 St. Julian Place, Columbia, SC 29204.

** The Diabetes Today Advisory Council (DTAC) is a group of volunteer community leaders and health care professionals dedicated to the education of South Carolinians on the seriousness of diabetes and ways to control the disease. They have agreed to serve as the fiscal agent for the symposium.

HOTEL ACCOMMODATIONS

Rooms have been reserved for this conference at The Crown Reef South Beach Resort, located at 2913 South Ocean Blvd., Myrtle Beach, SC 29577. Hotel conference rates are \$39 - \$45. Hotel rates are subject to a 10% sales tax and \$3.85 resort fee. Room space will be held until February 04, 2007. Reservations can be made by calling the hotel directly at 1-800-405-REEF or by e-mail at crownreef@aol.com.

AMERICANS WITH DISABILITIES ACT

It is the policy of the SC DHEC not to discriminate against any person on the basis of disability. If you feel you need services or the auxiliary aids mentioned in this act in order to fully participate in this continuing medical education activity, please call the SC Diabetes Prevention and Control Program at (803) 545-4471 or e-mail: youngci@dhec.sc.gov by January 17, 2007.

CLIMATE AND CONFERENCE DRESS

During the month of February, temperatures in Myrtle Beach range in the upper 50s for highs and lows in the 40s. As the temperature in meeting rooms may vary, you should bring a sweater or jacket. Conference dress is business casual.

Information

For more information, please call Chrishonda Young with the SC Diabetes Prevention and Control Program at (803) 545-4471. The e-mail address is: youngci@dhec.sc.gov.

This program is presented by the South Carolina Diabetes Prevention and Control Program (SC DPCP), the Cardiovascular Health (CVH) Division, The Medical University of South Carolina (MUSC), and The Diabetes Initiative of South Carolina (DSC). The SC DPCP is a CDC-sponsored program aimed at reducing the burden of diabetes in South Carolina. It is a statewide program of health systems change, health communication, and community coalitions and education. The Cardiovascular Health Program's mission is to prevent and reduce heart disease and stroke in South Carolina. The focus is on promoting community, institutional, and environmental changes in the areas of hypertension, high cholesterol and care of heart attack and stroke. The SC DPCP and the CVH Division are both housed at SC DHEC within the Bureau of Community Health and Chronic Disease Prevention.

Disclosure Statement

Disclosure of Financial Relationships: The Medical University of South Carolina adheres to the ACCME requirements on disclosure. Information about relationships of presenters with commercial interests will be included in material distributed at the time of the conference.

Disclosure of non-FDA approved uses for pharmaceutical products and/or medical devices: As an ACCME accredited provider of continuing medical education, the Medical University of South Carolina requires that all faculty presenters identify and disclose any "off label" uses for pharmaceutical and medical device products in their presentations or materials.

Cancellations

A refund will be made upon written request prior to February 15, 2007; however, \$25.00 will be retained for administrative costs.

No refund will be made after February 15, 2007.

We reserve the right to cancel the program if necessary. Full registration fees will be refunded for canceled programs. The conference sponsors cannot be responsible for reimbursement of airline or other transportation fares or hotel or rental car charges, including penalties.

AGENDA

Friday evening, February 23, 2007

4:00 p.m. – 6:00 p.m.	Registration and check in
6:00 p.m. – 7:00 p.m.	Dinner
7:00 p.m. – 8:00 p.m.	State of the State of Diabetes & Cardiovascular Health Lisa Waddell, MD, MPH , Deputy Commissioner of Health Services, SC DHEC
8:00 p.m. – 8:45 p.m.	What a Difference a T.E.A.M. Can Make Quentin Chavis, BS

Saturday, February 24, 2007 Morning Session

7:15 a.m. – 8:15 a.m.	Breakfast & Exhibits
8:15 a.m. – 8:25 a.m.	Welcome ~ Lisa Waddell, MD, MPH
8:30 a.m. – 9:25 a.m.	Diabetes & Cardiovascular Care: How Much of What the Evidence Shows Are We Putting into Practice? Russell Rothman, MD, MPP
9:30 a.m. – 10:15 a.m.	Cardiometabolic: How is it Related to Diabetes & Cardiovascular Diseases? William Besterman, MD
10:15 a.m. – 10:30 a.m.	Break & Exhibits
10:30 a.m. – 11:30 a.m.	Tales from the Field: Spreading Beyond Your Initial Condition of Focus Veronica Richardson, MBA, BSN, RN
11:30 a.m. – 12:15 p.m.	Implementing The Chronic Care Model: The TEAM Approach. Panel Discussion. Veronica Richardson, MBA, BSN, RN and Lin Eaddy, RN
12:20 p.m. – 1:30 pm.	Lunch/Awards Presentation

Afternoon Session

1: 30 p.m. – 2:00 p.m.	Hospital Diabetes Care: Link to Provider/Out Patient Management. Kathie Hermayer, MD, MS, FACE
2:00 p.m. – 2:50 p.m.	Cultural and Health Disparity Relevant Issues for African American Males with Diabetes & Cardiovascular Conditions. Thaddeus Bell, MD
2:50 p.m. – 3:30 p.m.	Pharmacology Update for Treatment of Diabetes & Cardiovascular Diseases C. Wayne Weart, PharmD
3:30 p.m. – 3:40 p.m.	Closing Remarks/Evaluation ~ Rhonda L. Hill, PhD, CHES Dory Masters, MEd, CHES

Objectives

At the conclusion of this conference, the participants should be able to:

1. Describe successes and challenges of diabetes and CVH in South Carolina
2. Describe how much of the evidence based research is being applied in Diabetes & CVH care and control.
3. Define cardiometabolic and how it is related to diabetes and cardiovascular diseases processes and treatment.
4. Describe the components of the chronic care model and how it can be implemented at the local clinic.
5. Differentiate between the diabetic care team and the team approach of the chronic care model.
6. Define the cultural and health disparity issues for African American males with diabetes and cardiovascular conditions.
7. Describe current management issues of the hospitalized patient with diabetes including discharge and outpatient care plans.
8. Describe the advances of pharmacology in the treatment of diabetes and cardiovascular diseases.

AWARDS/RECOGNITION

Award Eligibility Criteria:

1. Certified Diabetes Educator of the Year Award:

Purpose: This award recognizes a certified diabetes educator who has made a special contribution to diabetes education through dedication and innovation in the daily practice of patient care.

Eligibility: Nominees must be currently employed as a Diabetes Educator. The nominee must have been a Certified Diabetes Educator (CDE) for at least three (3) years.

2. Community Health Center of the Year Award:

Purpose: This award recognizes the outstanding contributions of a community health center in improving diabetes performance measures through improved health care delivery systems that increase access and decrease health disparities among medically underserved populations.

Eligibility: Nominees must have been participants of the National Diabetes Collaborative for at least two (2) years and have made substantial advancement in establishing an office practice system to improve care for patients through well defined measures, collaborative goals, engaging a team to participate in improvement activities, and collecting and reporting data needed to track improvement of health care outcomes. The nine **Community Health Centers participating in the Diabetes Collaborative that are eligible for nomination include:** (1) Beaufort-Jasper-Hampton Comprehensive Health Services, (Ridgeland) (2) Black River Healthcare, (Manning) (3) Carolina Health Centers, (Greenwood) (4) CareSouth Carolina Darlington/Hartsville), (5) Family Health Center (Orangeburg), (6) Franklin C. Fetter Family Health Center (Charleston), (7) Sandhills Medical Foundation (Jefferson), (8) Health Care Partners of SC (Conway), (9) New Horizon Family Health Services (Greenville), (10) Regenesys Community Health Center, (Spartanburg), (11) Richland Community Health Care Association (Columbia), (12) St. James-Santee Family Health Center (McClellanville), (13) Margaret J. Weston Medical Center (Clearwater), (14) Little River Medical Center (Little River).

3. DHEC Regional Diabetes Educator of the Year Award:

Purpose: This award is presented to a distinguished health professional that has made outstanding educational efforts in the field of diabetes that impact the state of South Carolina in establishing higher standards for diabetes education.

Eligibility: Nominee must have been employed as a DHEC District Diabetes Educator for at least three (3) consecutive years, promoted education and advancement of diabetes standards of care, and contributes directly to the health of local communities, regions, or the state.

4. Physician/Physician's Assistant/Nurse Practitioner of the Year Award:

Purpose: This award recognizes an outstanding primary care provider in the field of diabetes in efforts to honor, stimulate, and acknowledge their dedication to quality and excellence in diabetes patient care.

Eligibility: Nominees must have been actively engaged in clinical practice for at least three (3) years, with attention to provision of patient-centered care based on the national diabetes recommended standards of care (clinical and self-management education).
